

# REPUBLICANS WILL HOLD BIG BANQUET ON SATURDAY EVE

Gathering of the Anti-Jeffersonian Clan Will be an Affair of Note---Talks by Local Celebrities.

Oh, you Abraham Lincoln. And Bill Taft, too. For the glory of every Republican president will be told and a fit commemoration exercise will be held at the great big anti-Jeffersonian banquet that is to be held in this city on the evening of Lincoln's birthday, which falls on Saturday, February 12th.

A suggestion yesterday was sufficient to start the ball rolling and when the great night arrives there will be something doing among the local clan. The feed will be a feature in itself, but speeches will be the best of all. A committee started work yesterday and within a few hours a large number of local republicans had signified their intention of participating in the affair.

On of the features will be a big gallery in which will be seated the Tonopah democrats who will have an excellent view of the republicans enjoying the prosperity of the last few years. Naturally the followers of the "mule banner" will not have anything to say, which will be something out of the ordinary, adding to the pleasure of the evening. Should the gallery be filled to overflowing, seats will be placed on the sidewalk and

some of the democrats can have the privilege of looking through the window.

Judge H. H. Atkinson will officiate as toastmaster while the Hon. Hugh H. Brown will be the speaker of the evening. Addresses will also be made by Judge Mark R. Averill, P. M. Bowler Jr., W. W. Booth, Judge Dennis and others. The price per plate will be \$2.50, not \$1 as was charged at the late lamented Jeffersonian alleged banquet held at Reno when the victims were present from all parts of the state and treated to a feed that would have disgraced a Barbary coast free lunch counter. This will be a banquet such as fit for republicans, and will mark the commencement of the coming political campaign. Up to date the democrats have been naming ticket after ticket and now that they have tired both themselves and the public, the prosperity shouters will advance to the center of the stage, the calamity howlers making way with meek respect.

All who desire to participate in the affair should make their desire known to Judge H. H. Atkinson, who has been named as chairman of the arrangement committee. It will be strictly an informal affair.

## NEW LEASE IS GRANTED ON THE BOOTH GROUND

HARRY LIND SECURES BLOCK ON PORTION OF GOLDFIELD PROPERTY.

The following special dispatch was received last night from Goldfield relative to a new lease granted on the Booth Mining company, of which considerable stock is held in this city:

"H. B. Lind, president of the Nevada Hills company, lessee, today secured from George Wingfield a lease on the central part of the Booth ground, the leasing block being 400 feet long and the entire width of the claim, embracing the old Booth shaft, put down by Durgan and associates. The leasing block on the Booth is along the westerly side of the Nighthawk property, which Mr. Lind, for his company, has under lease and upon which he is now sinking a shaft.

"Work on this shaft will be abandoned for the time, however, and the old Booth shaft and workings prepared for extensive work. The old shaft is 390 feet in depth and is equipped with a fine gasoline hoist and all necessary apparatus.

"In the old days no lateral work was done to the east from the Booth shaft, although at a depth of about 100 feet the shaft cut through a ledge which engineers now declare to have been the Red Top vein. The vein carried very small values at that point and no lateral work was done on it at all. To the west of this shaft, and going straight up the side of Columbia mountain from the Banner shaft, is an outcrop which, for a distance of 200 feet, shows colors when the rock is broken up and panned. At 150 feet the Booth Leasing company, working from the Banner shaft, has caught this vein, to the east, and is now drifting upon it.

In the Consolidated ground, the Red Top vein has been followed on its dip across the northern end of the Vinagorone claim, and far into the northern end of the Miss Jessie claim, which endlines the Nighthawk, the work here being done near the Nighthawk line. So Mr. Lind believes that he has the Red Top vein exactly located, and that he will take ore out of both the Booth and Nighthawk ground. It is the development of the Red Top vein along the southern base of Columbia mountain by the Consolidated that has given the clue to the whereabouts of the vein in Booth ground. As the former operators on the Booth did not have this work to guide them, they never turned their attention to the east, where Mr. Lind believes the vein lays.

In fact there is a well defined belief that the Red Top vein really apexes on the Booth ground. If this is proven so, it will have an important bearing upon the extraction of ore from the Red Top vein in that part of the Consolidated ground lying to the east of the southwestern end of the Booth claim, and will have a material effect upon the value of the Booth property, enhancing it greatly.

## COMPTROLLER MURRAY PRAISES

the national banks of the country in a recent report as follows: "I can say that for honesty of purpose, for painstaking devotion to the heavy duties and responsibilities placed upon them, for keen business ability and devotion to the interests of the nearly six million depositors, for the wise handling of assets of the banks, in round numbers nearly ten billions of dollars, the officers and directors of these seven thousand national banks as a whole have no superiors in any corporation in the world. This is a strong recommendation for

THE 7,000 NATIONAL BANKS  
from the comptroller of the currency—a man who has the best possible means of knowing their condition and the general efficiency of their management. We modestly take our share of this praise because we know that in every respect we are complying with the government regulations and that we go beyond the legal requirements to make this institution a safe and reliable one for all our depositors and customers.

## JUDGE O'BRIEN IS MARRIED TO FORMER WIFE

FORMER TONOPAH COUPLE ARE WEDDED BY SAN JOSE JUDGE.

Advices received from San Francisco yesterday stated that Judge J. P. O'Brien, formerly presiding officer in the fifth judicial district court of this city, was married to Teresa S. O'Brien, from whom he secured a divorce about two months ago. The ceremony was performed at San Jose by Judge J. R. Welch.

After securing the divorce both Judge and Mrs. O'Brien moved to San Francisco, the former relinquishing his office of chief counsel for the Goldfield Consolidated company at Goldfield. The couple will reside in San Francisco.

## LARGE FAMILY DESTITUTE AT SILVER BOW

CASE IS BROUGHT TO ATTENTION OF COUNTY COMMISSIONERS.

A communication has been received by the county commissioners requesting aid for a destitute family named Lane at Silver Bow. There are six girls and one boy in the family, which was deserted several months ago by the father and husband. The eldest girl has worked occasionally while the boy, who is about 16 or 17 years old, has been kept at home by the mother. Friends and neighbors have contributed to the support since the father disappeared, by making donations of food and clothing. At present the family is in rather straitened circumstances and in order to effect a temporary relief, the commissioners will endeavor to secure clothing from the people of this city who are charitably inclined. The oldest girl, it is understood, is willing to do housework, and it may be possible that a place will be found for her in some family in this city. Parties who are willing to aid the family should inform the commissioners, who will forward the donations to Silver Bow.

The place to spend a pleasant and enjoyable hour is at the Butte.

For good bread try the City Bakery. 1-21-4f

## MAY SECURE SKINNER JURY BY TONIGHT

BUT SIX PEREMPTORY CHALLENGES REMAIN TO BE EXERCISED.

During yesterday's session of the Skinner trial, which now going on at the district court, nineteen veniremen were examined, making a total of eighty-nine, since the examinations started Monday. In all ten peremptory challenges have been exercised, five by either side. No sensational facts were brought out yesterday with which to make the proceedings interesting and the following veniremen were examined and excused for either bias or cause: Ross Congdon, Robert Christian, Charles J. Enquist, Hugh Sutherland, R. P. Dunn, Alex Velch, T. H. Lynch, Ed Harma, Henry C. Schmidt, Milton W. H. Hatton, Ed H. Addison, Matt Rosenthal, M. O. Corey, James Hayes, Fred Lamb, Patrick J. Malley, W. C. Hunter, George Coker, Charles Hill, F. M. North, Walter L. Malone, F. H. Gove, D. H. Walker, and F. A. Seymour.

The following were excused by peremptory challenges, exercised by both sides: Thomas F. Egan, S. Fox, T. H. Lynch, Hugh McCaughren, and C. W. Glrton. The jury last night was composed of the following: Jacob G. Frick, C. E. Dutton, W. G. Cook, E. R. Allred, Nels Paulsen, J. C. Peck, George M. Derringer, John B. Holmes, W. B. Atchison, Fred H. Wiley, Patrick C. Blaney and W. P. Clendennin.

There remain but six peremptory challenges yet to be exercised, of which each side retains three. It is possible that the jury will be secured by this evening providing that all the challenges are not used.

## LOCAL EAGLES WILL ENTERTAIN THIS EVENING

This evening there will be a jollification among the Tonopah Eagles when the aeris entertains the ladies. It is a long looked forward to event and some 400 or 500 guests will be present. The program will be an interesting one, but the best part of all will be the banquet that has been prepared by the Eagles without the aid of a caterer. The affair is to be held in the Elks club rooms. At the conclusion of the program the floor will be cleared for dancing for which Professors Alvin Tatro and Milton Ash will furnish the music.

A good and attractive program at the Butler theater today.
